MEMORANDUM FOR: Chief of Logistics

SUBJECT : The General Mark Clark Task Force

1. During the briefings of the staff members of the Clark Committee the following items were referred to by your officials and were requested by Colonel Miller:

a. With reference to [ ] comments regarding the need for participation by the Logistics Office in operational planning, Colonel Miller stated "I want a memorandum from the DD/A concerning the problem in the past of getting in on the logistics planning plus his (DD/A's) current proposals to remedy the situation."

25X1

Note: Colonel White has indicated no action should be taken on this but that if a positive request is made he will discuss the matter with Colonel Miller.

b. In connection with the same subject Colonel Miller specifically requested two copies of each draft of regulatory issuances Nos. [ ] Since he was informed that these were not as yet official issuances, Colonel Miller also asked for the regulatory issuances under which Logistics was presently performing.

25X1A

c. A document entitled "Statistical Information," S/D Operations (Supply Division) dated January 1955.

d. A document entitled "Procurement Division, Annual Analysis," shown by [ ] (2 pages).

25X1A9A

e. A recent report of a monthly report listing premium transportation used - prepared for analysis and corrective action by Management. Referred to by [ ]

25X1A

2. The arrangements made with the Task Force by Mr. Carey, Liaison Officer to the Task Force, are that any materials properly requested are to be delivered in three copies to [ ] Room 216, South Building. [ ] will maintain the log on all such materials and turn them over to the Task Force for their use and safekeeping. Materials are not to be given directly to the Task Force members during briefings.
